Technical specifications

Material:	1mm Galvanized steel
Reflective:	EG type film Cl.1
Mounting System:	Clamps x2, Screw and Nut x4

Description

It is installed on the section of road where the speed of vehicles must be limited. The area of action starts from the indicator and ends at the meeting of the "End of speed limit" or "End of all restrictions" indicator. If the indicator is accompanied by a panel with the name of the locality, then the speed limit is valid for the entire locality.
