Reflective	Transparent foil

Description

A freshly washed floor is one of the most common causes of slips in buildings. The ATZ 5002 is the yellow A-frame sign you stand on the floor while it is being washed and until it dries. The message is in Romanian and English, "Atenție! Podea umedă / Caution wet floor", below the symbol of a person slipping.

Technical data

- dimensions: 61 × 32 cm;
- open: 60 × 35 × 32 cm;
- printed area: 34 × 22 cm;
- material: PP, yellow;
- bilingual message, Romanian and English, digitally printed on transparent foil, on both faces;
- weight: 0.80 kg.

How it is used

Open the two faces and stand the sign in the middle of the wet area: printed on both faces, it can be read from both directions. Once the floor is dry, fold it flat and carry it by the top handle.

Why it is needed

A warning is required wherever there is a risk of slipping on wet floors, and a visible sign prevents accidents for people passing by.

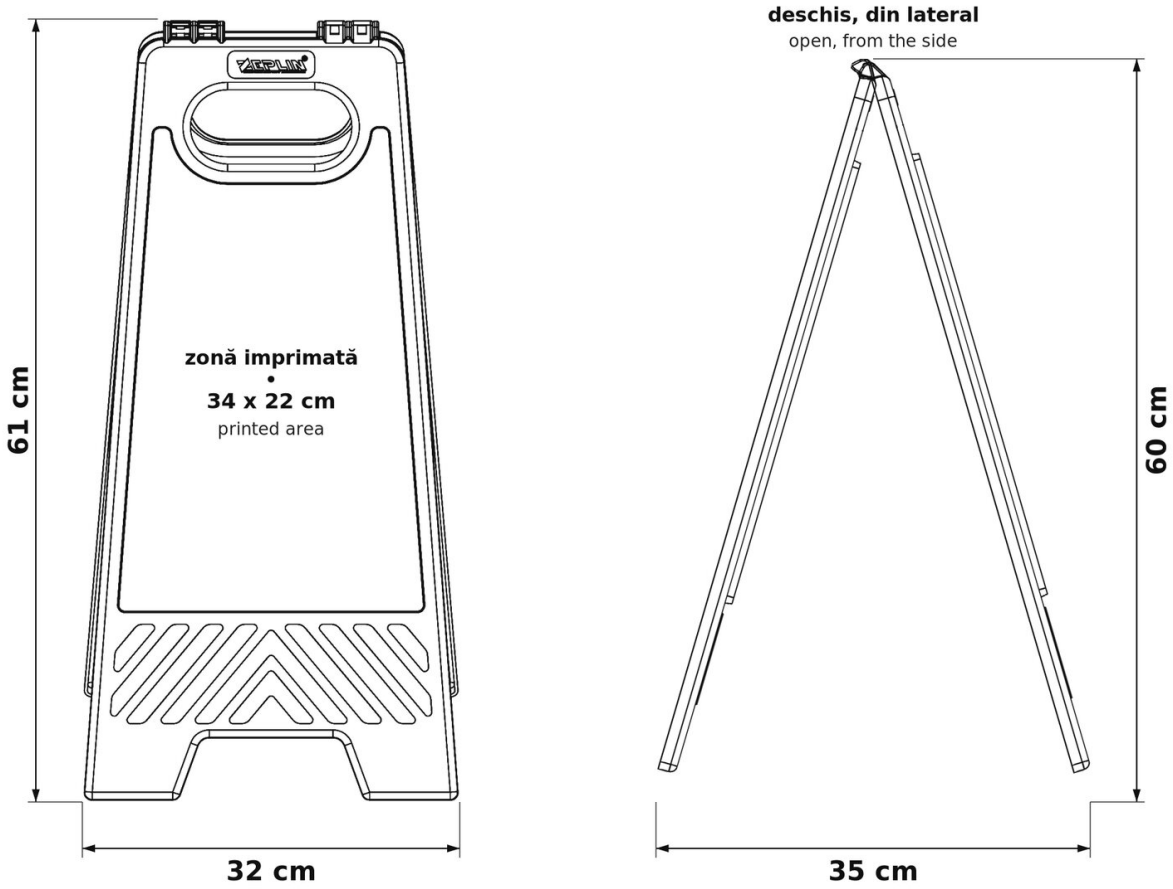

Where it is used

In office lobbies, shops, hospitals, schools, hotels, restaurants, public washrooms, on stairs and in production halls, wherever floors are washed during opening hours.
