Material (Base)	PVC
Material (Chain)	PE
Size (Post)	Ø11 cm
Size (Base)	Ø36 cm
Thickness (Chain)	8 mm
Base Shape	Round
Reflective	Type 1 glass bead

Description

Two posts with a chain between them make the simplest barrier: close off an entrance, a parking space or a lane, and open it again whenever you like. The ATS 11015-6668 has everything in one package: 2 ATZ 11015R4 mobile posts, 2 m of plastic chain and the adapters for fixing the chain.

What is in the set

- 2 red PPC posts, Ø11 cm, 120 cm, on 36 cm round PVC bases, with 4 Type 1 glass-bead reflective films;
- 2 m of red-and-white PE chain, 8 mm;
- the chain adapters: 2 ATZ 101A hooks for the top of the posts and 2 ATZ 330A hooks for the chain ends.

Mobile or fixed

The posts stand on the weight of their bases and can be moved at any time; the set weighs 11.5 kg. If the barrier stays in place for a long time, each base has 3 fixing points for plugs and screws.

Longer

For a longer barrier, add posts and chain by the metre, for example the V1-80RW, the same 8 mm red-and-white chain; the ends are held with the ATZ 330A hook.

Other versions

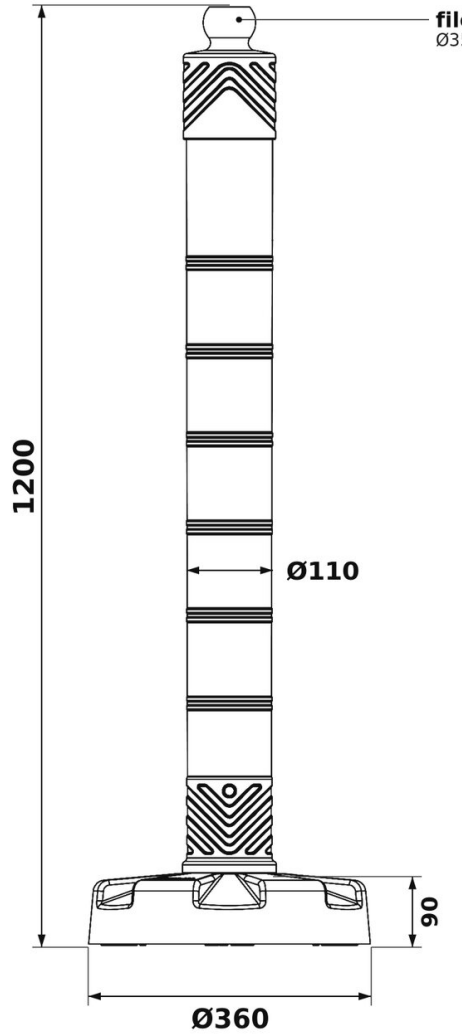

With slimmer, lighter Ø6.3 cm posts: the ATS 63315-6668. All the post sets are also under post sets, in parking solutions.

Se înșurubează direct în filet, fără unelte: indicatoare din plastic, o lampă sau cârligul ATZ 101A, de care se prinde lanțul.
They screw straight into the thread, no tools needed: plastic signs, a lamp or the ATZ 101A hook, which takes the chain.
Acestea se comandă separat.
They are ordered separately.
